RE: Conflict Minerals and Supply Chain Due Diligence

To whom it may concern:

Stainless Foundry & Engineering, Inc. has a long, rich history as being an industry leader in metal casting. With this responsibility we value our integrity and reputation as a high alloy foundry that does business with companies that share our commitment to ethical business practices and compliance with US SEC Regulations and Dodd-Frank Act Section 1502 regarding Conflict Minerals. We share the requirement to avoid contributing to human rights violations in the following countries: Democratic Republic of Congo (DRC), The Republic of the Congo, Central Africa Republic, South Sudan, Zambia, Angola, Tanzania, Burundi, Rwanda and Uganda. The management of Stainless Foundry & Engineering, Inc. does not knowingly use or purchase of the following conflict minerals from the above listed countries:

Scope of Effected Materials

Mineral Ore	Extracted and Processed Element	Elemental Symbol
Cassiterite	Tin	Sn
Columbite-tantalite	Tantalum	Ta
Wolframite	Tungsten	W
Gold	Gold	Au

Prime Materials used in production are delivered to us from suppliers that have been surveyed and audited to comply with the above listed directives

Please feel free to contact us directly if you have any questions or concerns on this or any other topic.

Most Truly,

Michael Porfilio
Director of Quality
Stainless Foundry & Engineering, Inc.
